

# CREDIT RECOVERY

## 3:30 pm. - 4:45 p.m

**Who qualifies?** Students in grades 9-12 who need to make up credits, or qualify for “at-risk” criteria.

**How do I sign up?** See your counselor for a referral to indicate need(s).

### Credit Recovery Classes

The following classes will be offered as a combination seat-based instruction and independent study. Semester or quarter credits can be earned upon request. **These courses are geared toward the student who wants more individualized and independent work on the course along with individual meetings with teachers for instruction, course expectations, and course completion.** They require attendance during sessions and independent study between sessions. Call 844-5687 for more information regarding any of the following:

**Individualized English** 3.30 p.m. – 4:45 p.m. – By Appointment  
(Carli Rae Manjorin)

By participating in afterschool English, you will work with the instructor to successfully complete the specific English course you need to make up. Though this will be primarily done during each class time, there may be some outside work necessary.

**\*This after school class is geared toward students who need more direct/on-site help from the teacher for successful completion of the course.**

**Individualized Science** 3.30 p.m. – 4:45 p.m. – By Appointment  
(Dennis Weaver)

Together with the instructor, you will determine your science requirement needs and design a customized course of study. A typical course will include classroom instruction, lab activities, and projects.

**\*This after school class is geared toward students who need more direct/on-site help from the teacher for successful completion of the course.**

**Individualized Social Studies** 3.30 p.m. – 4:45 p.m. – By Appointment  
(Brady Baxter)

By participating in afterschool Social Studies, you will work with the instructor to successfully complete the specific Social Studies course you need to make up. Though this will be primarily done during each class time, there may be some outside work necessary.

**\*This after school class is geared toward students who need more direct/on-site help from the teacher for successful completion of the course.**

**Individualized Math** 3.30 p.m. – 4:45 p.m. – By Appointment  
(Mike Miller)

This math class is designed to meet the individual and specific needs of enrolled students. A program of study will be designed to prepare for state and district testing required for graduation.

**\*This after school class is geared toward students who need more direct/on-site help from the teacher for successful completion of the course.**

# ADDITIONAL LEARNING OPPORTUNITIES

**Who qualifies?** Students in grades 9-12 who need to make up credits, or qualify for “at-risk” criteria.

**How do I sign up?** See your counselor for a referral to indicate need(s).

## Credit Recovery

Students who need to make up credits may take an independent study class to do so. This program utilizes an Online curriculum and requires a minimum of one hour of teacher contact time each week along with approximately 4 hours of outside/independent work for each contact. Course completion time varies and students must make consistent continual progress as determined by their ISP teacher. **The Credit Recovery Program is located at MSCTC – DL Campus - B-Wing (West Entrance Doors) 900 Hwy 34 East, Detroit Lakes, MN.**
